7. **DISCUSSION AND/OR ACTION RELATED TO THE APPROVAL OF THE APPRAISAL DISTRICT’S 2015 3RD QUARTER INVESTMENT REPORT.**

Ms. Sandra Garcia, Manager of Administration, summarized activities for the quarter. Overall:

For the quarter, an average portfolio of $2.27 million was available for investment and earned $900, which represents a return on investment of .16% compared to the benchmark of .04% (average 3-month U.S. Treasury Bill). **Checking Accounts:** The District earns both traditional interest paid in cash on checking account balances and given internal bank “credit” using an earnings-credit-rate (ECR) computed on account balances and used to offset bank fees. Although the ECR earnings are not paid in cash, this does result in foregoing bank fees, which represents a real dollar savings to the District and, thus, earnings on those funds. Traditional interest paid to the District totaled $24 and the ECR resulted in fee savings of $665. The total yield for this portion of the portfolio was .20%. The District must currently maintain between $950,000 and $1,100,000 in its bank accounts to earn enough at the ECR credit to fully offset monthly bank fees. Since these amounts exceed the $250,000 FDIC coverage limit, the bank must secure ("collateralize") all District funds over this amount by pledging certain of its own assets for the District and having an independent third party custodian, the Federal Reserve Bank, hold the assets. The custodian sends evidence of this to the District monthly. The following summarizes collateralization activity as of the end of the quarter:
Checking Accounts   | Collateral Market Value | Percent Collateralized
--- | --- | ---
$ 808,241 | $ 3,303,277 | 375%

The District's investment policy requires a minimum of 102% on such balances.

**TexPool**: Earnings to the District totaled $221 (or annualized yield of .08%) for this portion of the portfolio. During the quarter, TexPool shares were valued at $1 per share. Investments in TexPool are not guaranteed or insured. Mr. Garcia entertained motion for approval of the 2015 3rd quarter investment report. Motion was made by Mr. Guzman for approval of the 2015 3rd quarter investment report. Mr. Kieschnick seconded the motion. Motion passed unanimously.

8. **MOVE INTO EXECUTIVE SESSION PURSUANT TO THE TEXAS OPEN MEETINGS ACT, TEXAS GOVERNMENT CODE 551.071.**

Mr. Comb, TLO gave report no complaints and one comment which will be sent to comptroller’s office. Mr. Combs reported that applications are still being taken to submit to the Judge and gave a new deadline of November 13, 2015. As soon as the Judge makes her decision hopefully on the next board meeting we will have the new ARB members.

Mr. Garcia, Chairman and Mr. Combs agreed that the board will not appoint the chairman and vice chairman until the Judge appoints the ARB members. The Judge has asked to run criminal
background check on everyone that has applied for the ARB which will run approximately $125 per applicant. The Judge wants the information on her desk by the 20th of November. Mr. Elizondo asked how many positions are available and Mr. Combs said eight that need to be filled. He also asked if this was the first year to check backgrounds and Mr. Combs said that Mr. Wheat has been handling the background check in prior years. Mr. Wheat said that they normally check both criminal and civil cases, pending and past, and assumed name certificates. Mr. Canales suggested that the vetting and investigation background check goes back to Mr. Wheat because the district’s cost comes out of his monthly retainer. Mr. Combs said that Mr. Wheat would need to talk to Ms. Karen Everton to inform her of board action today.
There was an article about property tax on changes were voted on and approved.
